Please visit WebGrants for Students (WGS) to view your application status. You can access WGS from the Commission's Web site at **www.csac.ca.gov**. On WGS you can check to make sure we have your correct information on file, such as your mailing address and the name of the school you expect to attend. Please be aware that funding for new Competitive Cal Grants is not included in the proposed 2008-09 State budget so all award offers are tentative. We will post further information once the State budget is approved.
